Hey, hey, holla at your girl, holla at your girl, holla at your girl

Baby this is crazy, what you wanna do?  
I'd be lovers a fool, boy let me hold you down  
It seems like we ain't who be keeping secrets  
Cause you're talking me in circles every time we're speaking  
Might as well be speechless, if you really want my love,  
say something  
Cause lately you've been bugging and I think that you  
should share your thoughts with me, oh

Say, say, say, say ,say, say, say, say, say what you  
wanna say  
Say, say, say, say ,say, say, say, say, say, your fresh,  
your thought, your mind, time forgot  
If you want me in your world, I'll let you holla at you girl,  
uh, holla at your girl  
Uh, holla at your girl, uh, holla at your girl, holla at your  
girl

Don't stop, open your lips and say it loud  
If it ain't then it ain't but I think we both know what this  
is about  
You'll never know if you don't ask when you see me  
with another man  
They will turn all back then we'll be all mad  
So baby tell me that you like it, I'll keep it 100 what you  
promised won't fight it  
Cause really you've been bugging me and I think that  
you should share your thoughts with me

Say, say, say, say ,say, say, say, say, say what you  
wanna say  
Say, say, say, say ,say, say, say, say, say, your fresh,  
your thought, your mind, time forgot  
If you want me in your world, I'll let you holla at you girl,  
uh, holla at your girl  
Uh, holla at your girl, uh, holla at your girl, holla at your  
girl

I've been looking all cute and I'm air force one, baby, I  
wish you'd say something  
But you better holla at your girl if you think I'm the one,  
baby boy, we're frying  
Every time I walk by, you're always acting childish  
Why don't you just say what you really wanna say,  
baby? Oh

Say, say, say, say ,say, say, say, say, say what you  
wanna say  
Say, say, say, say ,say, say, say, say, say, your fresh,  
your thought, your mind, time forgot  
If you want me in your world, I'll let you holla at you girl,  
uh, holla at your girl  
All I really wanna see is you,  
Uh, holla at your girl, uh, holla at your girl, holla at your  
girl, holla.
