See I knew what was that you didn't have to say it  
I tried to â€¦ but I heard it anyway  
â€¦ needed to stay  
So I thought that I could say the same  
I like what we got going but I want more  
She don't even know what she's staying for  
If I could talk to her now I know just what I'll say  
Listen to me, oh

And you don't want him anyway, why don't you just give  
him to me? To me  
I really wanna know what you would say, I'll trade you  
Give him to me and I'll give you my loving  
He don't wanna be a â€¦ he loves me  
And so he doesn't make you unhappy, I'll trade you

You got some nerve trying to be on a â€¦  
I've seen your house, seen your car, seen the way you  
live  
I think that I should tell you that to get yourself together  
Or you look up and next time you see him it will â€¦ to  
never  
I bet you say that he don't love you no more  
When you don't even give him what he's looking for  
If I could talk to her right now I know just what I'll say  
Listen to me, oh

And you don't want him anyway, why don't you just give  
him to me? You should just give him out  
Since you don't want him anymore  
I really wanna know what you would say, I'll trade you  
Yeah, you better be happy with what you got, and hope  
and try to make it last

Give him to me and I'll give you my loving  
He don't wanna be a â€¦ he loves me  
You're gonna loose him, you're gonna loose him  
And so he doesn't make you unhappy, I'll trade you

All I got in, â€¦ and I wanna trade, I'll trade you, I'll  
trade you,

â€¦ hoped you, nothing you never said and you want  
the truth, I'll trade you  
And I can't believe you lied to me, I could of sworn you  
said â€¦

And you don't want him anyway, why don't you just give  
him to me? You really got me looking like a fool  
I really wanna know what you would say, I'll trade you  
Give him to me and I'll give you my loving,  
He don't wanna be a â€¦ he loves me  
And so he doesn't make you unhappy, I'll trade you

And you don't want him anyway, why don't you just give  
him to me?  
I really wanna know what you would say, I'll trade you  
Give him to me and I'll give you my loving,  
He don't wanna be a â€¦ he loves me  
And so he doesn't make you unhappy, I'll trade you
