Out There (x7)

I know you're up there  
Waiting to silence me  
Feels like you're chasing me  
Will you hold, catch me?

Out there  
Out in the universe  
The whole world is counting on, me

I'm riding a star  
I'm travelling far  
Just me and my heart  
To show the way, hey

Shut up while I'm dreaming  
Can't you see I'm busy  
You feel me but I'm not here  
I'm dreaming  
And the light gets far away, ooh  
I'm dreaming  
And the light gets far away

My destination  
Is my reality  
I know where it's taking me  
And I'm gonna get there

Out there  
Out in the universe  
The whole world is counting on, me

I'm riding a star  
I'm travelling far

Just me and my heart  
To show the way, hey

Shut up while I'm dreaming  
Can't you see I'm busy  
You feel me but I'm not here

I'm dreaming  
And the light gets far away, ooh

Shut up while I'm dreaming  
Can't you see I'm busy  
You feel me but I'm not here  
I'm dreaming  
And the light gets far away, ooh  
I'm dreaming  
And the light gets far away

Tomorrow has an open door  
Are you gonna get(?) through  
Everything I'm looking for  
My dreams are gonna take me to, ooh

Shut up while I'm dreaming (oh yeah)  
Can't you see I'm busy  
You feel me but I'm not here (I'm not here)  
I'm dreaming (dreaming)  
And the light gets far away, ooh (ooh)

Shut up while I'm dreaming (yeah)  
Can't you see I'm busy  
You feel me but I'm not here (ooh)  
I'm dreaming  
And the light gets far away, ooh (far away)  
I'm dreaming  
And the light gets far away
