Might as well burn the club down tonight
Kill me with the beat til daylight
Let it get hot, I'ma stay inside
Til death do we party, with the music I die

Pour a little more into your cup
The sweeter the juice the better your luck
Let's get loud as we celebrate life
Til death do we party, with the music I die

Oh my mind
Yeah, I'm losing it
Take my life
But I'm cool with it
So high on the music
So alive, I don't know what to do with it

Movin' my body like I'm winning a fight
Like dancing with the devil, I can do this all night
Wearing all black like a brand new bride
Til death do we party, with the music I die

Oh my mind
Yeah, I'm losing it
Take my life
But I'm cool with it
So high on the music
So alive, I don't know what to do with it

Oh my mind
Yeah, I'm losing it
Take my life

But I'm cool with it
I really don't care, I'ma go all night
Til death do we party, with the music I die

Whoa, oh, whoa, oh, whoa, oh, whoa
Whoa, oh, whoa, oh, whoa, oh, whoa
Whoa, oh, whoa, oh, whoa, oh, whoa
Whoa, oh, whoa

Let the music release our pain
With the music we're all born again
With the music we die
With the music we fight
We surrender ourselves here tonight

Oh my mind
Yeah, I'm losing it
Take my life
But I'm cool with it
So high on the music
So alive, I don't know what to do with it

Oh my mind
Yeah, I'm losing it
Take my life
But I'm cool with it
I really don't care, I'ma go all night
Til death do we party, with the music I die

I die, I die
Til death do we party, with the music I die
I die, I die
Til death do we party, with the music I die
