I try to stare in your eyes but
they're not looking back and I'm afraid.
But would you try to fly
if I looked in your eyes
and said that "this is love"?
Look up at the stars, the same that she can see.
Maybe I can dream tonight of love and you and me.
Who can see my dreams?
I'd die to kiss you tonight but
you don't seem like you would do the same.
And, baby, it's alright
I won't push my fight
but maybe I'm in love.
Look up at the stars, the same that she can see.
Maybe I can dream tonight of love and you and me.
Who can see my dreams?
Juliet, hold my hand, hold my heart, understand
this is love, don't leave yet, I'm in love with Juliet.
