Hello Holly, nice to read you  
Claws are out, bitchin's what you do  
Would you say it to our faces  
Come on girly, don't save graces

#### VERSE 2

Hello Holly, be good to meet her  
Leather jacket, rock slut features  
Hanging out with boy band stars  
Likes to kiss their big guitars

#### CHORUS

Hello Holly's in holy hell  
Has nothing nice to tell  
She'll never be your ally  
Hello Holly and goodbye!

#### BRIDGE

Just because we wear short skirts  
She thinks that we've been styled  
Just because we wear short dresses  
She spits out all her bile

#### VERSE 3

Hello Holly, if that's her name  
Wants all music to be the same  
Couldn't get a band cos she's so grotesque  
Failed so she's stuck behind a desk
