She looks like a horse but shes on the catwalk  
Got nothing to say, she can barely talk  
Not much else to do with her time  
Gucci will do just fine

Money spent, what a waste of school  
Dad must be feeling like a fool  
Get that girl a hit record  
Dont worry, it's what he can afford

Do you mind being a professional, a professional  
Do you mind being a professional daughter  
Do you mind being a professional, a professional  
Do you mind being a professional daughter

Follow in daddys footsteps  
Dont you see, its easier than one, two, three,  
She doesnt even have to try  
Daddys gold card will get her by

CHORUS

BRIDGE

Shes a bitch but thats OK  
Her name is handy for another day  
Fame worked for dad, so shell try to become  
What she thinks is a real someone
