"TAKE A WALK"

Visit "[TAKE A WALK](#)" on MotoLyrics.com

Black hole, to wallow in your self pity
People swarm, like ants in the big city
No one left, to hold you by the hand
There's pebbles where there should be sand
So...

Take a walk in the sunshine
Take a walk in the park
It's better for your mind
To come away from the dark

Life goes on, but nothing is that easy
This picture isn't where you wanna be
The people around you can seem so smart
Like a paper doll you can be torn apart
So...

BRIDGE:

Why don't you move on and get out of my life
I'd like to help but I don't think I have the time
It might seem selfish but I've tried, tried to be your
friend
But now I think that it's coming to an end

Take a walk in the sunshine
Take a walk in the park
It's better for your mind
To come away from the dark
...come away from the dark
