[Tech N9ne] I'm an angel-slash-demon, man

crazy and that's why I couldn't keep my wife,
y'knahmsayin? And that's the lust demons living within
me And uh, but my heart, love big, y'knahmsayin? So I
know a lot of demons come to my shows, as well as
angels Y'knahmsayin? A lot of demons, a lot of
demons, a lot of demons.. [Chorus] When I was one,
and a two, and a three, and a four I knew I was a

why I was plotting, rotten to the core It was nothing but
