I see
I see shattered people
Roaming the streets
Night and day.
Say can you see?
See what I see.
See their minds.
I see tattered ragmen
Reaching for eyes
Of a friend.
None can be found.
Oh I see you pleading
See your crazy stare.
See you
As you're falling
Dropping everywhere.
And it goes round
And round and round
And round.
It goes round
And round
And round and round
It goes round
And round and round
And can you see
Where we stand
You and me?
I see starving
People screaming
Crushed
As we rush on our way
Ay can you see?
Can you see me?
Hear my cries.
I see women dragging
Souls of their womb
Vvanquished dreams
Never to be.
Yes I see you tremble.
See your angry eyes

See you as you're falling

Thrown back to the skies.
And it goes round
And round and round
And round.
It goes round and round
And round and round
It goes round and round
And round and can yo
See
Where we stand
You and me?
I see scattered
People praying
Stick figures chant
Ghostly names
Say have you seen
Have you seen me?
Seen my life?
I see people dying
Running with bags
Full of gold
Lost on the wind.
I see cities crumble
Ripped apart inside
I see mountains tumble
Nothing will survive.
And it goes round
And round
And round and round
It goes round
And round
And round and round
It goes round and round
And round and can yo
See
Here we stand
You and me
