Night and stars  
Above that shine  
So bright  
The mystery  
Of their  
Fading light  
That shines  
Upon our caravan

Sleep upon  
My shoulder  
As we creep  
Across the sands  
So I may keep  
This memory  
Of our caravan

This is so exciting  
You are so inviting  
Resting in my arms  
As I thrill to all  
The magic charms  
Of you

You beside me here  
Beneath the blue  
My dream of love  
Is coming true  
Within our  
Desert caravan

This is so exciting  
You  
You are so inviting  
Resting in my arms  
As I thrill to all  
The magic charms  
Of you

You beside me here  
Beneath the blue  
My dream of love

Is coming true  
Within' our  
Desert caravan  
Within' our  
Desert caravan
