i recall when you said that you would never leave me
you told me more so much more like when the time you
whispered

in my ear there was heaven in my heart
i remember when you said that youd be here forever
then you left without even saying that youre leaving
i was hurt and it really wont be easy to forget
yesterday and i pray that you would stay
but then youre gone and oh so far away

i was afraid this time would come
i wasnt prepared to face this kind of hurtin from within
i have learned to live my life beside you
maybe ill just dream of you tonight
and if into my dream you come and touch me once
again
ill just keep on dreaming
till my heartaches end

and then you left without even saying that youre
leaving
i was hurt and it really wont be easy to forget
yesterday and i pray that you would stay
but then youre gone and oh so far away

i was afraid this time would come
i wasnt prepared to face this kind of hurtin from within
i have learned to live my life beside you
maybe ill just dream of you tonight
and if into my dream you come and touch me once
again
ill just keep on dreaming
till my heartaches end

i was afraid this time would come
i wasnt prepared to face this kind of hurtin from within
i have learned to live my life beside you
maybe ill just dream of you tonight
and if into my dream you come and touch me once
again
ill just keep on dreaming

till my heartaches end

keep on dreaming
till my heartaches end
