Chorus:

Can't you see your love is all I need,  
Without you I'm nothing so please don't ever leave.

Verse One (Tiny):

Baby, I think you should take the time alone,  
To sort out your feelings and be sure you're not going  
wrong, no.  
You see, I know you hear many things that make you  
cry,  
But our love is too strong to be ruined by a lie.

Repeat Chorus

Verse Two (Tamika):

Now tell me how I could ever live without you,  
I can't live without you,  
If you left me now I don't know what I would do.  
I've never known anyone who could love me like you  
do,  
You mean the world to me and I feel I mean as much to  
you.

Repeat Chorus

I've never known anyone who could love me like you  
do,  
You mean the world to me and I feel I mean as much to  
you.

Repeat Chorus (x2)

Outro:

(Tamika): No I just can't live without you,  
(All): Can't live without your love,  
So baby please don't leave.  
(Tamika): You should take some time to realise,  
(All): You're the only one I'm thinking of.  
Baby please don't leave,  
(Tamika): Thought our love was too strong to fall,  
I need you baby so please don't go.
