There's a man on the bus, screamin' about Presley  
There's a man on the bus, screamin' about Presley  
All tied up got a knot in his hands  
Presley sucked on doggie dicks

I'm the king of rock 'n roll  
If you don't like it, you can lump it  
You gotta get me back to the base  
You gotta get me back to the base

Presley's been dead, the body means nothin'  
The man in the back says Presley sucked dicks  
With a picture of li'l Stevie over his head  
I'm in the back with a hole in my throat

I'm the king of rock 'n roll  
If you don't like it, you can lump it  
You gotta get me back to the base  
You gotta get me back to the base

There's a man on the bus, screamin' about Presley  
Rips a newspaper up in his hands  
Helicopter shoots down a military spot  
Everybody runs from screamin' about Presley

I'm the king of rock 'n roll  
If you don't like it, you can lump it  
You gotta get me back to the base  
You gotta get me back to the base

There's a man on the bus, screamin' about Presley  
There's a man on the bus, screamin' about Presley  
All tied up got a knot in his hands  
Presley sucked on doggie dicks

I'm the king of rock 'n roll  
If you don't like it you can lump it  
You gotta get me back to the base  
You gotta get me back to the base

You gotta get me back to the base  
You gotta get me back to the base
