Dear God,  
hope you got the letter, and...  
I pray you can make it better down here.  
I don't mean a big reduction in the price of beer  
but all the people that you made in your image, see  
them starving on their feet 'cause they don't get  
enough to eat from God, I can't believe in you

Dear God, sorry to disturb you, but... I feel that I should  
be heard  
loud and clear. We all need a big reduction in amount  
of tears  
and all the people that you made in your image, see  
them fighting  
in the street 'cause they can't make opinions meet  
about God,  
I can't believe in you

Did you make disease, and the diamond blue? Did you  
make  
mankind after we made you? And the devil too!

Dear God, don't know if you noticed, but... your name is  
on  
a lot of quotes in this book, and us crazy humans wrote  
it, you  
should take a look, and all the people that you made in  
your  
image still believing that junk is true. Well I know it  
ain't, and  
so do you, dear God, I can't believe in I don't believe in

I won't believe in heaven and hell. No saints, no  
sinners, no  
devil as well. No pearly gates, no thorny crown. You're  
always  
letting us humans down. The wars you bring, the babes  
you  
drown. Those lost at sea and never found, and it's the  
same the  
whole world 'round. The hurt I see helps to compound

that  
Father, Son and Holy Ghost is just somebody's unholy  
hoax,  
and if you're up there you'd perceive that my heart's  
here upon  
my sleeve. If there's one thing I don't believe in

it's you... Dear God.
