## "Drunk In My Past"

It's the drunk in my past  
Shuffling by like a train  
Sounds on its tracks like a ride  
Like a ride that don't last

Swears each drink is the last  
Tells the same lie each night  
And breaks every promise  
Till she makes me go crazy  
She's gonna drive me to drinking

There's a drunk in my past  
The one who let me down  
Who wasn't around when I needed

There's a drunk in my past  
Who swears each drink is the last  
Thought I give him another chance

There's a drunk in my path  
Each time I go past my house  
I'm trying to find my way home

My door way is blocked  
By doomsday for certain  
When your own key don't fit  
You know it's curtains

Oh well, never a dull moment  
Never a moment passes  
When someone dull don't pass me by

I love her like a sister  
That drunk that girl  
Why I wish her all the best?

That's all that's left  
'Cause she took the rest  
One heck of a past

There's a drunk in my past  
The one who let me down

Who wasn't around when I needed

There's a drunk in my past  
Who swears each drink is the last  
Thought I give him another chance

There's a drunk in my path  
Each time I go past my house  
I'm trying to find my way home
