The facts we hate: The facts we'll never meet.  
walking down the road. Everybody yelling  
"hurry up!" "hurry up!" But I'm waiting  
for you, I must go slow. I must not  
think bad thoughts. When is this  
world coming to? Both sides are  
right but both sides murder. I  
give up; why can't they? I must  
not think bad thoughts. The civil  
wars and the uncivilized wars.  
conflagrations leap out of every  
poor furnace. The food cooks  
poorly and everyone goes hungry.  
from then on it's dog eat dog, dog  
eat body, & body eat dog. I can't  
go down there. I can't understand it.  
I'm a no good coward & an American too.  
a north American, that is not a south  
or a central. Or a native American.  
Or an alien American.  
oh i must not think bad thoughts. I'm  
guilty of murder of innocent men,  
innocent women, innocent children,  
thousands of them! My planes, my guns,

my money, my soldiers, my blood on ny  
hands, it's all my fault! I must not  
think bad thoughts. I must not think  
bad thoughts. The facts we hate:  
you'll never hear us.

"I hear the radio is finally gonna  
play new music, you know, the  
British invasion." But what about  
The Minutemen, Flesh Eaters, DOA,  
Big Boys. And XXX Black Flag? Will  
XXX last American band to get played  
on the radio please bring XXX flag?  
please bring XXX flag! Glitter-disco-  
synthesizer night school. All this  
noble savage drum, drum, drum.  
astronauts going back in time to hang  
out with XXX cave people. It's about

time, it's about space. It's about  
some people in the strangest place.  
Woody Guthrie sang about b-e-e-t-s  
not b-e-a-t-s. I must not think  
bad thoughts, I must not think  
bad thoughts, the facts we hate.
