In the time it takes to it takes to pay my hotel bill  
I could lose my mind, walk out the door on the 14th  
floor  
If you've been there once, you've been there a million  
times  
And a million and one ain't no time to get it wrong  
Do you wake up, at midnight  
In the middle of the room  
Beating on a door that's locked  
Well, I do  
I do  
I do

In the time it takes to sing this song  
You could fall in love, jump off the floor into my arms  
And you must look deep into my eyes  
To see the tiny evil lies  
Do you wake up in the moonlight  
Just howling at the moon  
Do you wonder, in the morning  
Well, I do  
I do  
I do  
A lot of crazy things  
Hey, hey  
Hey, hey  
In the time it takes  
Hey, hey

In the time it takes to smoke one cigarette  
You could have one more, just one more for the road  
This may be the very last thing you hear  
Yeah but I hope that everybody makes it home  
Do you wake up, at the wheel  
Heading for the shoulder of the road  
Screaming god, please, save my soul  
Well, I do  
I do  
I do  
A lot of crazy things  
Hey, hey

Hey, hey  
In the time it takes  
Hey, hey  
Hey, hey  
Hey, hey  
In the time it takes  
In the time it takes  
In the time it takes
