Every man wants a woman
Where him and her can just go hang
Just he two of them alone (kick back)
Doing their own thang
And every man wants a woman
That can always keep him in the mood
And I'm that kind of girl
So this is what I tell my dude

Chorus:

I tell him to
Kick off your shoes and relax your feet
Party on down to the XSCAPE beat
Just kick it
Just kick it, just kick it
(repeat)

Every man wants a woman
That can cook him up a good meal
A woman he can trst like his homie
And take her out on the Ave.and just chill
Every man wants a woman
That ain't good for just laying on her back
And I'm that kind of woman
So before me and my man get in the sack

Chorus

This is for the niga's
Strictly for the niga's
This is for the niga's
The real niga's
This is for the niga's
Strictly for the niga's
This is for the niga's
The real niga's
This is for the niga's
Strictly for the niga's
This is for the niga's
The real niga's
