I don't want to
Explain my feelings to
You, my friend
'cause you'll never understand

I just want to
Be in your arms tonight
I don't care
If I'm wrong or if I'm right

I don't want to be alone
Don't leave me tonight
Come on, hold on tight
Baby, don't leave me alone

The morning light
Will take the love away
Stay with me
Till the breakin' of the day

Hold me now
Baby, don't leave me tonight
Love will die
In the golden morninglight

Come on, hold on tight
Baby, don't leave me alone
