I know your antiseptic
Your deodorant smells nice
I'd like to get to know you
You're deep frozen like the ice

-chorus-

She's a germ free adolescent
Cleanliness is her obsession
Cleans her teeth ten times a day
Scrub away scrub away scrub away
The S.R. way....

You may get to touch her
If your gloves are sterilised
Rinse your mouth with listerine
Blow disinfectant in her eyes

-chorus-

Her phobia is infection
She needs one to survive
It's her built-in protection
Without fear she'd give up and die

-chorus-

She's a germ free adolescent
Cleanliness is her obsession
^^^(x4)^^
Cleans her teeth ten times a day
Scrub away scrub away scrub away
The S.R. way....
