I'm looking for you

Trying to reach your roses

Carried away by the time

Seijaku no kyouki ni katame o

tsubusasete mama

You've gone away

From the stage

Leaving no words

There's just fake tears left

isuwari no shinju de kazatta

bara no hanataba o sagasu

I'm blind insane

In the red of silence

Now I've lost your love

genkaku no ai ni kawareta ayatsuri ningyo

Get me on my feet

Get me back to myself

Pretend you love me

yubisaki made shinku ni somatta

ore o mitsumete

Moe taekirenai kodoku no serenade

kyozou no umi ni nagashite  
yume kara sameta chimamire no tenshi o  
mune ni daitemo  
I can not stop  
Silent Jealousy  
Don't you leave me alone  
kanashimi ni midarete  
modorenai ai o kazaru  
kurikaesu kodoku no naka ni  
Tell me true doko ni yukeba  
kurushimi o aiseru  
I still want your love ai o tomete  
kurui saku kioku o keshite  
"I just wanted to stay with you  
I just wanted to feel your breath of grace  
I didn't know what to do  
I couldn't say anything  
When consciousness returned  
Everything had been washed away  
by the tide of time, even you  
But the scars of memory never fade away  
I can't stop loving you  
Stop my tears  
Stop my loving  
Kill my memories"

You dyed my heart in blood

No way to kill my sadness

tachisaru mae ni koroshite

kyouki no ai ni dakareta hitomi wa

nani mo mienai

ima mo I miss you

Can't live without you

Silent Jealousy yume ni ochite

dakishimeru kioku o

Stay in yesterday toki o tomete

kurikaesu kodoku o keshite

Take me back to the memory, to the dream

Silent Jealousy

Don't you leave me alone

kanashimi ni midarete

Kill me, Lovel'm looking for you

Trying to reach your roses

Carried away by the time
