Ooh...ooh...
Ooh...ooh...ooh...ooh...
Ooh...ooh...ooh...
Ooh...ooh...ooh...ooh...
(Mmm...mmm...mmm...mmm...mmm...)
Ooh...ooh... (Baby)
Ooh...ooh...ooh...ooh... (Well, well, well)
Ooh...ooh...ooh...
Ooh...

It's a glowing little feeling
Like a summer sun that slowly rises
On a new horizon of love
And it's more exotic than Jamaica
Or the rain that falls in Costa Rica
Like a waterfall to the sea, so tell me, baby

Do you wanna fly, I can take you high
Come ride on (Come ride with me) these midnight
skies (Come with me,
baby)
If you're lookin' for heaven's only door
You've got the key, baby, open me (Baby)

Baby, won't you come inside (Mmm, hmm)
I'll take you on a fantasy ride (I'll take you, boy, I'll take
you,
baby)
Take a journey through my universe (Through my
universe)
My love's the softest place on earth
(Mmm...hmm...mmm...)

You don't have to pull the blinds (No, no)
Let the neighbors lose their minds (Oh)
Baby, you can be the first
Inside the softest place on earth

Overflowing with emotion
I will make you feel so sensual
When I touch you, you will lose all control

Come on, baby, kiss me all over
>From my mountains to my valley low
There's an ocean of love just for you, just for you, oh,
yeah, yeah,
yeah

Do you wanna fly, I can take you high (Take you high,
baby)
Come ride on these midnight skies (Mmm...mmm...)
If you're lookin' for heaven's only door (You know that)
You've got the key, baby, open me (Open me)

Baby, won't you come inside
I'll take you on a fantasy ride (Take you on a fantasy
ride, yeah)
Take a journey through my universe
My love's the softest place on earth (You know it, baby)

You don't have to pull the blinds (Mmm, hmm)
Let the neighbors lose their minds (You know there
watchin' baby)
Baby, you can be the first
Inside the softest place on earth

(So no more dreamin') So no more dreamin'
(Your body's steamin') Your body's steamin'
You want it, baby, this is your night (This is your night,
baby)
I'll keep you risin' (Mmm, mmm) and fantasizin'
I want it so bad, I'll do what you like
We can do it in the movies or my Jacuzzi
Or maybe Central Park, baby (It's alright with me, baby)
So if there's any doubt, that's what I'm all about
So tell your friends (I'm turnin' you out, baby)

Baby, won't you come inside (Oh...oh...oh...oh...)
I'll take you on a fantasy ride (I'll take you, boy, I'll take
you,
baby)
Take a journey through my universe (Come go with me,
come ride with me)
My love's the softest place on earth (Oh, yeah, yeah...)

You don't have to pull the blinds
Let the neighbors lose their minds (Let them lose their
minds)
Baby, you can be the first (Be the first)
Inside the softest place on earth (In the softest place on
earth)

Baby, won't you come inside (Baby)

I'll take you on a fantasy ride (Yeah, oh, yeah, yeah)
Take a journey through my universe
(Oh...oh...oh...oh...oh...)
My love's the softest place on earth
