I awoke to see the sun at 6 o'clock  
But I guess I stayed in bed too long  
Because it was night and that sun was goin' down  
It was still awfully bright

He's bright and shiny  
As a brand new penny  
And he's bad  
And hot as a hemie

I heard the skid when he arrived  
So I slid to a stop at his feet  
It was 6 o'clock on highway 5  
So we stayed off the street

He's bright and shiny  
As a brand new penny  
And he's bad  
And hot as a hemie

Supercharged in my parking garage  
He's big, he's bad, he's crazy  
Supercharged in my parking garage  
Supercharged in my parking garage

When we woke up, the sun said 6 o'clock  
So I guess we stayed in bed too long  
'Cause it was night and that sun was goin' down  
But it was still awfully bright

He's bright and shiny  
As a brand new penny  
And he's bad  
And hot as a hemie

Supercharged in my parking garage  
He's so big, he's bad, so bad, so crazy  
Supercharged in my parking garage  
Supercharged in my parking garage

Supercharged in my parking garage  
He's so big, bad, bad, bad, bad, bad, so crazy

Supercharged in my parking garage  
Supercharged in my parking garage
