When I wake up early in the morning
In the middle on, I wanna go on dream
I don't wanna get up all, is they only?
Standing back on, only I wanna sleep.
Please don't wake me
Another give me or shake me
Go away or I'm a star of wheel
Everybody's think of me, I'm luzzy
After all oh, only I wanna sleep.
When I wake up early in the morning
In the middle on, I wanna go on dream
I don't wanna get up all, is they only?
Standing back on, only I wanna sleep.
Please don't wake me
Another give me or shake me
Go away or I'm a star of wheel
Everybody's think of me, I'm luzzy
After all oh, only I wanna sleep.

Ninnanananininina...
Ninnanananinana...

When I wake up early in the morning
In the middle on, I wanna go on dream
I don't wanna get up all, is they only?
Standing back on, only I wanna sleep.
Please don't wake me
Another give me or shake me
Go away or I'm a star of wheel
Everybody's think of me, I'm luzzy
After all oh, only I wanna sleep.

Sleep... Sleep...Sleep...
Wake up... Wake up...

When I wake up early in the morning
In the middle on, I wanna go on dream
I don't wanna get up all, is they only?
Standing back on, only I wanna sleep.
Please don't wake me
Another give me or shake me

Go away or I'm a star of wheel
Everybody's think of me, I'm luzzy
After all oh, only I wanna sleep.
