I've been havin' trouble
Puttin' my cigarettes out
And I've been having trouble with her
So I shut up or talk too loud

The cigarettes smolder and smell
But they light up the room
So many times I think of romance
But I think I should leave you alone

When I get home I'm gonna hang that picture
Where it's supposed to be
Then I think I'll get up
And watch the sun go down

Watch the sun go down
Watch the sun go down
Watch the sun go down
Watch the sun go down, yeah

I wish I wasn't grown-up
So I could cry myself to sleep
And I'd like to follow you home
But it's awful hard on the bus

Everybody's got the right to go wrong
They come home and say I'm sorry
But I'm gone for six months at a time
And you're tired of the reason why

When I grow up
I'm gonna make something out of myself
Then I think I'll get up
And watch the sun go down

Watch the sun go down
Watch the sun go down
Watch the sun go down
When the sun goes down, yeah

When I grow up
I'm gonna make something out of myself

Then I think I'll get up
And watch the sun go down
Then I think I'll get up
And watch the sun go down

Watch the sun go down
Watch the sun go down
Watch the sun go down
Watch the sun go down

Yeah, watch the sun go down
Just get home and watch the sun go down
Watch the sun go down
Watch the sun go down, yeah
