I hear a knock on the door  
Hageshiku semaru  
Ushinaikaketa ishiki no naka de  
omae ga sasayaku

Oitsumerareta kokoro tokasu

Kirikizamareta kioku wo utsushidasu

Sakimidareta 'hateful black heart'

Togisumasareta 'transient feeling'

Except your heart

I've nothing to lose  
Love me till the end  
Except your heart
