someone clean to chew on a wife that no one likes he
called and they said all of new york is a tow-away zone
he paid sixty dollars on 12th street today and now all
my money's gone you don't have to answer me you
don't have to call me back your phones off the hook,
but you're not you hate my older sister and burglarize
her home your dirty invitation waits run over on my
street i don't care who you don't like you don't have to
answer me you don't have to answer me you don't have
to call me back your phones off the hook, but you're not
