(Hook: Krizz Kaliko) I see shadows on the road again  
Wonder if they comin' for my soul I get trapped up in  
this mode i'm in And will I ever grow old (Verse 1: Tech  
N9ne) I member them high nights On X we find sites To  
climb heights Unheard to man we line white Molly up it  
had to be non fight Mix it with weed and wet it's  
chronkite That shits beyond hype Spittin somethin we  
be trippin' and seeing some shit It's fuckin' up the buzz  
of me and the clique So we hop up in the whip And flee  
with the quick But the shadow make us qwerve and we  
on the strip Did you see the shit? (Yeah I saw the shit)  
Did y'all see the shit? (Yeah we saw the shit) All agree  
that a shadow was crossin' the street Then immediately  
vanished we need a hit (Hook) (Verse 2: Tech N9ne) Is  
it comin' for me because of all the shit that I did in the  
past Was bad to people Mad and evil If your the A.O.D.  
i'm sad to meet you Angel of death when I quit doin' X  
Because of seeing you every night on the stretch So  
i've been clean for three years And counting still i'm  
seeing shadows will they scheme for me To follow  
them into the pit of despair Punishment for what I did in  
this lair What if evil spirits live in th road To take the  
kinrid spirits crippled up souls I don't know how the  
spirit thing goes Real or livin' in my fontal lobe Will I be  
livin' life until i'm okd Or will I be takin' by shadows on  
the road (Hook)
