(Verse 1: Tech N9ne) It's friday night and I Got my check man I Damn I really need a (PARTY!) So when the weekend come I'm tryin to get deep in some (ALL NIGHT ALL DAY!) Tryin' to break the monotony Get away from my property Ain't no way that you stoppin' me At a party I got to be But the check was a shock to me That won't let my velocity slow Wanna party with me let me know (Bridge 1: Tech N9ne) We party cause we in pain We party to celebrate To keep from goin insane We party just to escape No matter how much the cost Regardless of what it takes You call my phone and it's off I'm tryin' to numb the mistakes But if you fell like you chill put yo cups up But if you ill about yo bills and it's just touch Take a drink but don't spill This ain't no time to be still Fuck the world what you know and realize shit is real (Hook: Tech N9ne & Krizz Kaliko) Shit is real (20X) (Verse 2: Tech N9ne) Saturday night and I Still got some check man I Damn I really need a (PARTY!) Now that the weekends here It's time for the cheefin' and beer (ALL NIGHT ALL DAY!) Whether you puff or you're drinkin' When life is tough we go seekin' Somethin' to thrust or go deep in Work is rough with no frekin' So we lustfully speakin' Girl you whats up for the weekend? Plan a trip to Las Vegas A room at the venetian Lets go (Bridge 2: Tech N9ne) We party cause we in pain We party to celebrate To keep from goin' insane We party just to escape No matter how much the cost Regardless of what it takes If you're found or you're lost Hey baby these are the breaks But if you good it's understood that you prosperous We from the hood and drinkin' good means alot to us Put away yo knife and yo steel Have some fun and you'll feel Like a shield has been lifted Yet and still shit is real (Hook) (20X) (Verse 3: Tech N9ne) Sunday night and I Blew my check man I Damn I really wanna (PARTY!) Now that the weekends done I'm tryin' to sleep in some (ALL DAY ALL NIGHT!) Hey yo this songs for the strong Not for the backboneless Workers who don't make enough for they own But give to the homeless atonment For the wrong that has grown Strong for the long Spent time for dime You better take advantage of this moment yo (Bridge
