Serpent angel rape me,  
Serpent venom in me.

Chorus:

O,Euphoria,our goddess you are  
Take the burden away to live in this hell  
Say goodbye to the dreams,destroyed fantasies  
Bitter nightfall at hand will cover the land

Forces come-silent  
Cross your mind-blinding  
Anaesthetize-senses  
Steal them all away  
Caress you-grievous  
Infest you-with lust  
Ending soon-chaos  
Servant life is waiting

(Whisper:)

(Consume the drugs we sell to you  
Keep you begging for more  
And soon you will forget the world you were longing  
for)  
Childish dream-sinful  
I have seen-passion  
Fearlessly-chainless  
All this hope is forever lost

Chorus:

O,Euphoria,our goddess you are  
Take the burden away to live in this hell  
Say goodbye to the dreams,destroyed fantasies  
Bitter nightfall at hand will cover the land  
Neverworld's End

We sell you a false dream for your own  
So we can control your fantasies  
There's no hideaway this world is ours  
Give in to our plastic paradise

Endlessly travelling the plains of my dream  
Slowly it's fading in my memory

Chorus:

O Euphoria, our goddess you are  
Take the burden away to live in this hell  
Say goodbye to the dreams, destroyed fantasies  
Bitter nightfall at hand, will cover the land  
O Euphoria, sweet lies that you are  
Let the child fade away, just memories stay  
O Chimaria, predacious heart  
Take our souls with you, Forever repent  
Neverworld's End
