I cannot turn away  
From this obscurity  
A nameless force  
Is stealing my face

Come and try to fight me  
You will never break me

I know it's the final breath I'm taking  
If I let you win  
So I cannot be the one forgiving  
Or I'm giving in

Now I can see you  
You were just hiding  
You won't betray me  
'Cause now I know your name

Come and try to fight me  
You will never break me

I know it's the final breath I'm taking  
If I let you win  
So I cannot be the one forgiving  
Or I'm giving in

Come and try to fight me, baby  
You will never break me, no  
[Incomprehensible]

Come and try to fight me, baby  
You will never break me, no  
[Incomprehensible]

I know it's the final breath I'm taking  
If I let you win  
So I cannot be the one forgiving  
Or I'm giving in

I know it's the final breath I'm taking  
If I let you win  
So I cannot be the one forgiving

Or I'm giving in

Come and try to  
Come and try to fight me
