"Kill The Sun"

Visit "[Kill The Sun](#)" on MotoLyrics.com

I am down at the water, my bare feet are numb
And for aeons now nothing seems real
Now it's hard to hold sight, through your soft
eiderdown
But I still got my hands on the wheel

You can rain down on me
But you can't darken the sun
You can cast a spell on the moon
But you can't kill the sun

You have set my mind between worlds spinning 'round
I'm a stranger in my universe
But I see my sun and I know that it will
Be forever shining on earth

You can rain down on me
But you can't darken the sun
You can cast a spell on the moon
But you can't kill the sun

You can't kill the sun
You can't kill the sun
You can't kill the sun

You can rain down on me
But you can't darken the sun
You can cast a spell on the moon
But you can't kill the sun, kill the sun
