sigh - for they make you feel alive
try - it's just one step aside
fly - over seas of drunken wine
lie - cause you'll never draw a line

come and be a child of the blue
we'll make the azure dream come true

cry - for they leave you cold and dead
ride - til the last of suns is set

don't dive too deep - too deep into the sea

come and be a child of the blue
we'll make the azure dream come true

i drift and fall - sapphire spear inside
they come for me and softly close my eyes

fight - for this is your last chance

come and be a child of the blue
leave the past, we make it new

you will always be our child
(child of the blue)
you will always be our child
(child of the blue)
