On a train to Neverland  
We are riding hand in hand  
We are chasing unicorns  
And elves  
Chinese dragons guide our way  
To the dawning of the day  
We will give a promise to  
Ourselves

Only for tonight  
Only for the stars in your eyes

We are crazy, but who cares...!  
To our heaven there are stairs  
If we want it to be like

That  
And reality is just  
An illusion that we must  
Soon return to, yes, but not  
Yet

Only for tonight  
Only for the stars in your eyes

Hey, Give me what I need  
Hey, you are what I want

Only for tonight  
For your eyes only

Only for tonight  
Only for the stars in your eyes
