[Intro - Tech N9ne (Taken from S.H.E.)]

I got the idea to do this next one right after the S.H.E.
shit happened

So my nigga Kaliko came through and blew this shit!
You might have heard it on our shows, it's a little skit
called Save Yourself

All Kaliko, no background singer or nothing, you know
what I'm sizzlin

It was written and produced by me, Krizz, and Icy Roc
It's called Save Yourself, check it out

[Big Krizz Kaliko]

You can't get my money hoe, you're scheming on my
wealth

How about getting a j-o-b then you can save yourself
I don't know why these hoes are always in my face for
money

Gran Rice, Kutt, and Tech N9ne said save yourself.

Save yourself

Gran Rice, Kutt, and Tech N9ne said save yourself

(Applause)
