"A Man of My Word"

I'm a man, I'm a man of my word
Of my word, I'm a man of my word

So you were wrong to tell your friends that I'm a liar
(That I'm a liar, a liar)
I'll say it again, I've stopped running around
I think of you in the deepest of meditation
Visualizing only you as the girl of my creation

I used to be a Romeo, but there wasn't a girl I'll never
know
Oh no, Oh no, yeah
Since we met, your kisses help me to forget
I'm no more Romeo
Oh no, oh no, yeah

Since we met, your kisses help me to forget
I'm no more Romeo
Oh no, oh no, yeah

I'm a man, I'm a man of my word
I'm a man, I'm a man of my word
I'm a man, I'm a man of my word...
