1) Do you remember the time?
Do you remember the man
Who walked with bare feet on rocks
Through the hot desert sand?
He didn't own very much
Because he knew of the weight
Such things could put on your back
Until you could not walk straight

His simple message was "Love your God
with all you mind and soul..."

CH) And do unto others
Do unto others
If you would like that light to come through
You've got to do unto others
Like you'd have them do to you"

2) He went about doing good
Because he knew we felt bad
He said "Whatever you need,
don't forget to ask Dad"
He loves the ones that are lost
He loves the broke and the lame

He taught the natural law
That at ourselves we're the same

He knew that you could wreck somebody's night
Or you could light up their day

CH) Do unto others
Do unto others
If you would like that light to come through
You've got to do unto others
Like you'd have them do to you

Nobody lights a shining lamp
And hides it under a bowl

CH) Do unto others
Do unto others

If you would like that light to come through
You've got to do unto others
Like you'd have them do to you
