When I Am Far Away. Copyright. Words and Music by Xanthe Littlemore

1) When I'm down I can't see You  
When I'm down You are gone  
When You go the lights go out and I don't know  
The way to get the vision turned back on

2) You told me You would stay here

You told me we could talk  
Would You leave a child alone without a home  
And without no shoes, and such a way to walk?

Ch) When I am far away from You  
I don't want anyone to see  
I don't want anyone to know  
The little child inside of me

When I am lost and all alone
