505 to casablanca
flight delayed at least one hour
505 to casablanca
flight reported short of power

There is a ship in the bay
sailin with seagulls away
over the ocean
in motion
sounds from a jet fade away

sit a table for two
talk to my shadow bout you
the fan in the celin
is squealin
im feelin misty and blue

play me some music
sing that song again
im waitin for an airplane that will
bring me back a friend
hey, get the windows
the nights so still and warm
annd birds dont sing at all
before a storm

See the Arabian moon
dancin the nighth on the dunes
im going crazy
star gazin
waitin for flight 505

There is a sailor who cries
hes lost the sea to the sky
down in the corner
performer
you sing like youre gonna die

Play me some music
sing that song again
im waitin for tomorrow like a

desert for the rain
say, mr. waiter
this drink is getting low
and play my song once more
before i go

See the Arabian moon
dancin the night on the dunes
im goin crazy
star gazin
waitin for flight 505
