Life is simple down at the Zoo  
Love is easy down there with you  
We can ride on top of an elephant  
And the world outside is irrelevant  
Deep inside of our hearts we are animals too  
Down at the Zoo

Skies are sunny Down at the Zoo  
Life is funny down there with you  
Little children beg for a new balloon  
When the old one flies like a desert moon  
From the animals view were just animals too  
Down at the Zoo

Buy a ticket for the Monkey Show  
Everybody wants to say hallo  
Can you tell me Mister where the lovers go  
Where are the peanuts  
And where is my money  
Ice-cream tutti-frutti ice-cream  
Smile for the camera

Eyes are shining Down at the Zoo  
Life is smiling down there with you  
So you work all week for the company  
And your eyes get red in the factory  
What the animals know all the animals do  
Down at the Zoo
