Fly bird fly
stretch your wings in the wind
blow wind blow
let the sailor come in
love lies free
open the door an its waitin for me
love lies free

Run creek run
drown your tears in the sea
Roll sea roll
take your sorrows from me
love lies free
under the sky and its waitin for me
love lies free

Fall rain, fall
dry your clouds in the sun
shine, sun shine
make your mystery come
love lies free
under the sun an its waitin for me
love lies free

Take me away
workin on the railroad
(work all day)
waitin for a trainload
get my pay
do it again
workin in a coal mine
(work all day)
waitin for the sunshine
come my way

Love lies free
under the sky and its waitin for me
love lies free
love lies free...
