Babe, when I was a child
Ooh, I slept in a cradle
now my livin is wild
wo, I sleep where Im able
I need a room for the night
some inspiration to write
one sturdy bed on the floor
lord, my shoes are dirty an
my feet are sore

Love is
Love, Youre makin All The Fools
[Run around-were doin silly things]
love, youre breakinall the rules
Yeah, yeah

Babe, Ill drown in your eyes
Ooh, theyre deep as an ocean
like the sun rides the sky
wo, you ride my emotions
get my guitar and a pen
feel like poet again
I wanna write you a song
leave you something to remember
when Im gone

Love is
love, youre makinall the fools
[run around-were doinsilly things]
love, youre breakinall the rules
Yeah, yeah

Love is funny affair
you most beware of sadness
love takes your heart anywhere
you get your share of madness too
you do

I need a room for the night
some inspiration to write
i wanna sing you a song

leave you something to remember
when Im gone

Love is
love, youre makinall the fools
[run around-were doinsilly things]
love, youre breakinall the rules
Yeah, yeah
