When i feel low
you help me to grow
so high my fingers pierce
holes in the sky
like towers so tall
they easily fall
and Ive never learned
how to fly

When youre around
youre a love song to sing
and a star in the sky
with the moon on your wings
but believe me, darlinyoure more
when you close the door

You really hurt me
you play your ace of hearts
and win so easy
you know i fall apart
just like a snowman in the rain
hes a puddle of pain

You are my clown
the minute im down
you tell me a joke
make me laugh till i cry

When youre around
bringincomfort inside
every touch is a gift
leavin holes in my pride
oh i wish you wanted me more
when you close the door

You really hurt me
you play your ace of hearts
and win so easily
you know i fall apart
just like a snowman in the rain
hes a puddle of pain

You know i fall apart
just like that snowman in the rain
hes a puddle of pain
and I love you...
