I Said

"Oh no I cant do that thing  
Getting so dizzy when I try to swing  
Sorry honey you can beg all day  
Im gonna be sitting here anyway"

She said

"All youve got to do is move your hips  
Touch me gently with your fingertips  
Trust me when youre in that groove  
You might just like it when we start to move"

Oh You got me dancing  
Im so glad you got me dancing  
Oh You got me dancing for the first time  
I cant do it

I said

"Oh no I cant do that trick  
Im way behind you and you move to quick  
Calm down take it nice and slow  
I want to be ready when you start to go"

She said

"Feel the rythm and synchronize  
I like that sentiment within your eyes  
Still its better if you tried to smile  
A whole lot better if you changed that style"

She said

"Oh gee I think youve got it right  
I want to be swingin in your arms all night  
Hold on til Im satisfied  
I just dont want to get off this ride"

I said

Oh no you cant stop me now  
Im really happy that you showed me how  
Oh yeah I can do that thing  
Id do it again if you would let me in"
