My road looks dead
My eyes are red
Why are my feelings
upside down?
Crawl in dark
Guide me right
I accept all you've done for me

Every last thought
that I have
Every single step has
made me who I am
I just pray, I just beg
That someone will
guide me through
this

Help me!

All you've done for me

My road looks dead
My eyes are red
Why are my feelings
upside down?
Crawl in dark
Guide me right
I accept all you've done for me

You gave me a new
start
This life tears me
apart
I don't want to live
like before
Only you God gave
me more
I'm falling down
I'm getting up
I'm back to where I
started

Why is this so hard

I can't do this x2

My road looks dead
My eyes are red
Why are my feelings
upside down?
Crawl in dark
Guide me right
I accept all you've done for me

My road looks dead
My eyes are red
Why are my feelings
upside down?
Crawl in dark
Guide me right
I accept all you've done for me
