And if it's there

Don't let it get you down,

You can take it.

And if it hurts

Don't let them see you cry,

You can make it.

Hold your head up, oh

Hold your head up, oh

Hold your head up, oh

Hold your head high.

Hold your head up, oh

Hold your head up, oh

Hold your head up, oh

Hold your head high.

And if they stare

Just let them burn their eyes

On you moving.

And if they shout

Don't let it change a thing

That you're doing.

Hold your head up, oh

Hold your head up, oh

Hold your head up, oh

Hold your head high.

Hold your head up, oh

Hold your head up, oh

Hold your head up, oh

Hold your head high.

(interlude)

Hold your head up

Hold your head up

Hold your head up

Hold your head up

Hold your head up

Hold your head up

Hold your head up

Hold your head up

Hold your head up

Hold your head up, oh

Hold your head up, oh

Hold your head up, oh

Hold your head high.

Hold your head up, oh

Hold your head up, oh

Hold your head up, oh

Hold your head high.

And if they stare  
Just let them burn their eyes  
On you moving.  
And if they shout  
Don't let it change a thing  
That you're doing.  
Hold your head up, oh  
Hold your head up, oh  
Hold your head up, oh  
Hold your head up, oh  
Hold your head up, oh  
Hold your head up, oh  
Hold your head up, oh  
Hold your head up, oh
