F the L the Y the B the I the Sparks the Kie, got you  
flying high X 3

The F the L the Y the B the I....

Rolling with the S the P the A the R the K the S, this a ma  
DJ coming in fresh, some a do it like that some a do it  
like this.

Rolling with the S the P the A the R the K the S

This a my DJ coming in fresh, I like it when the beat dus  
kick, listen to my DJ who's in the mix, wit a box of tricks,  
yo with a flick of the wrist, all the ladies in sight, to  
make them move or jump or twist, this, who's in my DJ  
who's in the mix, in tho wit a box of tricks, as the ladies  
in sight make them jump and wa wa jump twist.

Check 1 set into gear, have no fear Sparks and Kie are  
here, let us all roll with the atmosphere, ravers there  
and here, to many MC's sound the same, play with the  
music like a game, hit to lovers who afraid of fame, yes  
my DJ you gotta gain, when it rain's, gonna poor, ravers  
get down hit the dance floor, Kie up on the mic Lyrical  
laying down the law half of them like it raw, from the  
bottom to the top, like it cold, like it hot, DJ MC gotta,  
gotta roll, gotta roll shake, razzle BO.

Hold the beat, stop the beat, drop the beat, give me a  
second, what do you reckon, its MC sparks and Kie on a  
mission, there's no confusion, hold the bass, drop the  
bass, drop the bass, hear the sounds, we're in session,  
now music's my foundation, we're here to rock the  
nation, with a wheel, a dealing your giving a my  
feeling, Sparks on a man a man a mic that's talking, I  
like when the beats are rolling, who's on the mic  
controlling, with a wheel, a dealing your giving a my  
feeling, Sparks on a man a man a mic that's talking I  
like when the beats are bumping, who's on the mic  
controlling.

You know what you gotta do, don't come with that attitude, Kie Sparks are in the venue, the ravers like that its flat give me that, K kinder surprise, I into your eyes, E just realize, write your answers no disguise, flip that coin see what you get, bound to get while were making it set, DJ, MC on the project, get down, get down its time to inject, garage sound again the one the ravers a recommend, you know we love you lot, 10 out of 10, selecta, give me that a mix and blend.
