yes im all about my biz

i know ya heard about the boy

know da word about the boy

but aint no stoppin the boy

coz no ones hurtin the boys its like dat

nu style nu flow wen im all about my biz

yes im all about my bizness

im all about my biz

and u know wat it is

nu style nu flow

and i do it big

went thru sum hard times

passed up sum hard times

but i manage 2 kick a flow

wit sum hard rhymes

dealed with sum fake ass ones who say that they can
rap

up on the track line know how day gunna spray da
HUH!!

im like dude is frontin

he really think he stunnin

but wen i hop on da track

i make it to him he is nothing
rumours is goin round
like some dude writes my flow
i'm like what to the no
whats goin on
and whats goin wrong
cause i got more verses then the chapter song
let me take it home
like terrecequat
coz im bomin on this chuck
bombin on a mista fact
its like that
so what u heard about dat
word to my mother never heard it like that
i know ya heard about the boy
know da word about the boy
but aint no stoppin the boy
coz noones hurtin the boys its like dat
nu style nu flow wen im all about my biz
yes im all about my biz
i know ya heard about the boy
know da word about the boy
but aint no stoppin the boy
coz no ones hurtin the boys its like dat
nu style nu flow wen im all about my biz

yes im all about my bizness

let i rememeber i was hot like septembr

i get dudes fallin like there names was novembr

im so cold froth bite

flows like december

heavy duty teams coz im the main member

remember dat im one of da best in my age bright

gett a right bros produce

a mixdown and the dnt have it like me

cause i'm the one of the best

and the cnt haggit

the way i can flow ,you was swear it was straight magic

woo so hot up in da booth

flame throw one spit it here

young breeze in the booth

tell the truth

just hand me your mic

nd i kill it off

they act hard

but they're flow is so soft

im gettin on

giv me a beat i rip em all

i spit it all nothing like benz gettin off

so whos da hottest at heavy rotation

and im da king of da next generation

i know ya heard about the boy

know da word about the boy
but aint no stoppin the boy
coz noones hurtin the boys its like dat
nu style nu flow wen im all about my biz
yes im all about my biz
i know ya heard about the boy
know da word about the boy
but aint no stoppin the boy
coz no ones hurtin the boys its like dat
nu style nu flow wen im all about my biz
yes im all about my bizness
