Uh huh, I knew it, there you go
Creepin' out another back door
You think your slick, getting' away
But I ain't living like this no more
I see you think that I'm a fool
But I've been watchin' you and, playin' it cool
No apologies no regret
Just pack your shit and leave today
And I mean it

Word is bond
You give a little but want a lot
Be strong
If you can't get with it than just
Move on
There'd be days like this mama said,
but a real man's just gotta handle his, I'm leaving

(chorus)

Ain't try'na diss ya, for real I won't miss ya
I ain't even thinkin' 'bout you .. go ahead and cry
don't blow up my phone, girl leave me alone
I ain't even thinkin' 'bout you .. don't call me no more
Hope you get lonely, damn you're so phoney
I ain't even thinkin' 'bout you ,, your so damn two faced
Found all your dirt, now your feelings hurt
I ain't even thinkin' 'bout you

I'm tired of all the lies running around back and forth
'cause I guess it makes you feel good to be able to go
bragging to your girls about how you always be
creeping
and your man sees through your front and still loves
you unconditionally
So don't expect me to act up 'cause I won't
I'm gonna be the bigger man and let it go
And I ain't gonna disrespect myself
'cause when you diss me you diss yourself

Come on
What you do is so selfish

Thats wrong
If you can't stay committed
Get gone
There'd be days like this papa said
And I ain't even gotta put up with your shit
Your leaving

(chorus)

Ain't trying to diss ya, for real I won't miss ya
I ain't even thinkin' 'bout you
Don't blow up my phone, girl leave me alone
I ain't even thinkin' 'bout you be gone girl
Hope you get lonely, damn you're so phoney
I ain't even thinkin' about you.. no I ain't
Found all your dirt, now your feelings hurt
I ain't even thinkin' 'bout you

Girl, I'm done, no you ain't the right one
but that's ok I'm getting ready for the next one
There'll be another one after the last one
Just like the bus comes everyday

Thought I told

Girl, I'm done, no you ain't the right one
but that's ok I'm getting ready for the next one
There'll be another one after the last one
Just like the bus comes everyday

Ed Rock

Ey yo, I used to see true love when I looked deep in
your eyes
Had me gassed up before but now I see through the
lies
I'm on tour overseas I arrive home,
who would've known
that I would be in for an indecent surprise
Had me wait'n on your calls, ear glued to the phone
You out late getting sexed when you should be home
And you was once my queen but now you've been de-
throned
'cause your ass can't be trusted, far as you can be
thrown

Gettin sick of this behavior
Can't even go to the store without worryin' 'bout you
havin' quickies with my neighbors
And to think a nigga didn't play ya, I kept it real
You wanna go and disrespect me still

We had love couldn't get in between it
But nowadays things change, I call you a bitch and I
mean it
Before I thought about it, nearly lost my mind
But now you don't even cross my mind
I ain't thinkin' bout you

(chorus)

Ain't trying to diss ya, for real I won't miss ya
I ain't even thinkin' 'bout you ., good bye girl
Don't blow up my phone, girl leave me alone
I ain't even thinkin' 'bout you .. delete my contact out ya
2way
Hope you get lonely, damn you're so phoney
I ain't even thinkin' about you
Found all your dirt, now your feelings hurt
I ain't even thinkin' 'bout you

I aint even thinkin' bout you
